The mission of the Anne Arundel County Mental Health Agency, Inc. (AACMHA) is to provide leadership and collaboration for the planning, monitoring, and managing of a comprehensive continuum of mental health care to eligible residents of all ages.

AACMHA seeks to ensure that Medicaid recipients and other low-income, uninsured county residents have convenient access to diverse, extensive and well-coordinated mental health services that will effectively meet their needs.

In implementing its [mission](#), AACMHA is guided by a core set of [values](#) centered on respect for the rights and dignity of the people served.

A [Board of Directors](#) consisting of county officials, consumers, advocates, and other citizens oversees the operations of the AACMHA. The Anne Arundel County Executive appoints the board members.

Anne Arundel County Mental Health Agency (AACMHA) was established to help Medicaid recipients and other low-income, non-insured people in the county who meet certain criteria get the mental health care they need. Call our [Community Warmline](#), 410-768-5522, 24-hours-a-day, seven-days-a-week for immediate help.

The Crisis Response System known as the "**Community Warmline**" is a service that provides Anne Arundel County Residents in crisis with supportive assistance and linkages to resources within the community.

The "Community Warmline" can receive calls 24 hours a day, 7 days a week. Non-emergency calls are handled by staff and will provide the caller with information, support and referrals. The Crisis Response System Staff intervene with callers who are experiencing a mental health emergency. Also, the Crisis Response System "Community Warmline" coordinates calls with the police, fire and community agencies that are requesting information on crisis matters.

The Crisis Response System also provides service to the community through Mobile Crisis Teams, Homeless Outreach Services, Urgent Care Clinic, Sexual Assault Clinic, Community Education and Crisis Beds.

The Mental Health Authority of St. Mary's, Inc. was established in 1995 as a private, non-profit Core Service Agency responsible for managing the Public Mental Health System in St. Mary's County. Our mission is to provide leadership, responsiveness, support, advocacy and understanding for the individuals and families of St. Mary's County, as well as the community-at-large, who are experiencing or are affected by behavioral health care problems and concerns.

The Mental Health Authority of St. Mary's ...

- Monitors mental health services including a fee-for-service system that involves local providers who offer crisis, residential, rehabilitative, outpatient, inpatient, employment, and case-management interventions to approximately 2,000 individuals.
- Designs multi-disciplinary plans for children and adolescents, the homeless, and those who are involved with the criminal justice system.
- Conducts public-education campaigns designed to get in touch with hard-to-reach populations, such as the elderly and the homeless.
- Develops new resources, programs, and forums for struggling families.
- Works closely with the providers of substance abuse education and developmental disability services in order to support those with co-occurring disorders.
- Links mental health providers with in-school and after-school programs, community education in the senior communities, and school staff training opportunities.

Our purpose is ...

- To plan, manage, and monitor publicly-funded behavioral health services.
- To ensure a comprehensive array of need-based services that is accessible, available, and affordable.
- To ensure that quality-based, outcome-oriented services are offered in the least restrictive environment possible.
- To preserve the dignity, confidentiality, and rights to privacy of those we assist to find care
- To work toward uniting the quality care resources, technologies, and abilities of both the public and private sectors in serving the needs of our community.
